

This list below is by no means exhaustive. We recommend that you investigate all options, and talk to any trainer you are interested in. You should feel comfortable and confident in the trainer's abilities and methods. Your dog should look forward to training sessions. The sessions should focus on positive reinforcement, and rewards. You can read a great article about choosing a trainer here: <https://www.ccpdt.org/dog-owners/how-to-choose-a-dog-trainer/>
